

# LOOP-PLUS

## STRAPPING

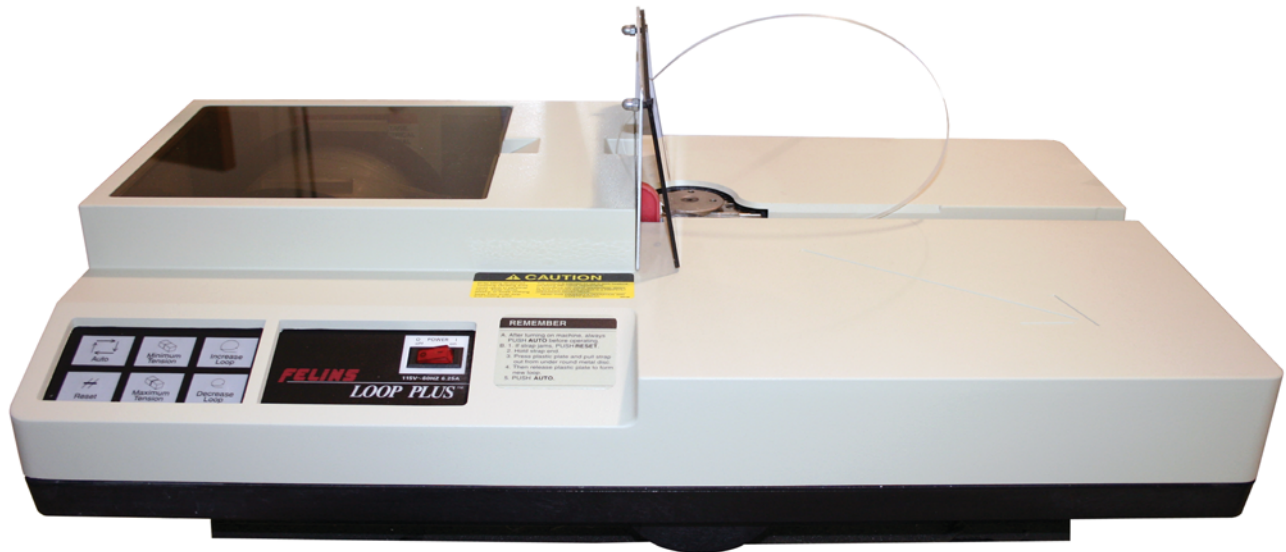

Theft. Loss. Unbundling. They're all things to avoid in the banking, casino, and security-related industries. That's why we offer a solution that makes cash management and transaction security the least of your problems - the Loop-Plus.

## OPERATIONAL EFFICIENCY

A small table-top strapping unit, the Loop-Plus is capable of bundling a variety of products with little-to-no machine adjustments between straps.

Using economical plastic strapping, you can ensure your products are protected without worrying about wasting time or material.

That means tamper-proof bundling, and optimizing your operations, has never been easier!

I AM HAPPY TOSAY ALL 23 [LOOP-PLUS STRAPPING] MACHINES ARE INSTALLED AND WORKING WELL IN OUR BANK.
